

Kopar at Newton

"Distinctive Residences for A Distinguished Life", Kopar at Newton is a newly launched undertaking located at Makeway Avenue within the prime District 9 of Singapore. Kopar at Newton is inspired by the legacy, essence, allure and purity of copper. Kopar means copper in Icelandic, a land of the elements. Kopar symbolises beauty, value, warmth, generosity, comfort and life.

Kopar at Newton is a collection of urban luxury residences impressed by the attraction of copper, the primary metal to be discovered 10,000 years ago. The metal has withstood the test of time to be the most enduring and important ingredient of civilization. The development includes two 23-storey towers with 378 models of 1- to five-bedroom apartments and penthouses.

Living at Kopar at Newton is an distinctive delight with its exquisitely curated suite of bespoke providers, permitting hospitality for both the residents and their guests.
